

Ignite the Faith (ITF) 2027 Youth and Young Adult Staff (ages 14-22)

What is Ignite the Faith?

Ignite the Faith (February 6th, 2027 at Palm Desert outdoor amphitheater) is a four-hour youth and young-adult-led revival worship gathering designed to glorify our Lord, awaken a passion for Jesus, and ignite a fresh flame of revival and evangelism throughout the Coachella Valley. Set beneath the Santa Rosa Mountains and Mount San Jacinto, this outdoor experience will inspire faith, unity, worship, and boldness.

What's In It for Me as a Staff Member?

This is more than volunteering. **This is an opportunity to lead, grow, serve, and help shape something that can impact our entire Valley.**

For Youth & Young Adults — Why Join the 2027 Executive Board?

You will have a voice.

Help create the vision, mission, theme, experience, and direction for Ignite the Faith 2027. This is **your generation helping shape an event for our Valley.**

You will develop real leadership skills.

Gain hands-on experience in vision casting, strategic planning, event management, team building, communication, marketing, problem-solving, public speaking, and servant leadership.

You will build your network.

Work alongside mature Christian leaders, youth and young adults, pastors, ministry leaders, nonprofit organizations, musicians, speakers, and other emerging leaders.

You will receive mentorship and development.

Executive Board members will participate in the Rainmaker Effect's youth and young adult leadership, mentoring, and discipleship experience—developing skills that extend far beyond Ignite the Faith 2027.

You will lead—not just participate.

You will help recruit and build the volunteer team, and the ITF 2027 program, and play a meaningful role in visioning an experience involving worship, scripture, testimonies, prayer, and Christian fellowship.

You will build your leadership résumé.

This is an opportunity to demonstrate real leadership through a significant community

event—with responsibilities that can translate into college applications, scholarships, employment, ministry, entrepreneurship, and future leadership opportunities.

You will have a pathway to greater leadership.

The 2027 Executive Board is designed to become part of the **2028 Senior Leadership Team**, creating a real leadership pipeline rather than a one-time volunteer experience.

Most importantly, you will make a difference.

You will help create an environment where young people and adults can encounter God, receive prayer, hear the Word, experience worship, share their stories, connect with Christian organizations, and discover opportunities to grow in their faith.

More than 100 volunteers came together to make **Ignite the Faith 2026** happen—from setup and hospitality to worship, prayer, registration, outreach, event support, and ministry.

You can serve between now and the February 2027 event in an area that matches your spiritual gifts, God-given talents, and interests while working alongside other people who want to make a difference.

You will:

- Serve your community through a Christ-centered event.
- Meet and build relationships with other youth, young adults, and Christian leaders.

- Discover and develop your gifts.
- Gain valuable teamwork, communication, and event experience.
- Participate in worship, fellowship, prayer, and ministry.
- Help create an environment where people can receive encouragement, prayer, and spiritual support.
- Be part of something bigger than yourself.

The Bigger Opportunity

Don't just come to Ignite the Faith. Help build it.

If you are a youth or young adult who wants to grow as a leader, develop your gifts, serve others, build meaningful relationships, and help shape the future of your community, **we want you on the team.**

2027 is our year to ignite the faith—and your leadership could help light the fire.

Join the Executive Board. Build the team. Lead the event. Serve the community. Change lives.
